About This Guide

The purpose of this Financial Services Guide (FSG) is to help you make an informed decision about the services we (Elkcorp and Elk Advisory) offer and whether they are suited appropriately to meet your needs. This FSG provides you with important information on how to engage with us and our Advisors. Throughout this FSG, Elkcorp and Elk Advisory is referred to as "elk", "we", "us", "our" or any variation thereof. The term "Advisor" refers to Elkcorp's Authorised Representatives.

This FSG should be read in conjunction with the Advisor Profile (of your Advisor) and covers the following:

- who we are including information about Elkcorp as a licensee
- how you can contact us and details on how you may instruct your Advisor
- who will be responsible for providing the financial services
- details of the financial services and / or products we provide
- the documents you may receive
- the cost of our advisory services, and remuneration received by us and your Advisor
- other forms of remuneration or benefits
- Privacy (i.e. collection and handling of your personal information) and the information we need from you
- the complaints procedure and what to do if you have a complaint about our services

This FSG does not relate to any services or products we provide that are not financial services or financial products (for example credit & finance products). We will provide you with a Product Disclosure Statement (PDS) or other disclosure document (such as a services guide or product / service terms and conditions) in relation to a financial product, if we give you personal financial product advice about the product or if we offer or arrange a financial product to you. Personal financial product advice includes advice that takes into account one or more of your objectives, financial situation and needs. In certain circumstances we are not required to provide a PDS (including for example, where you already have one). The PDS contains information about the financial product and will assist you in making an informed decision about the product. If you are provided with personal financial product advice we may also issue you with a Statement of Advice (SoA). The SoA will contain: the advice; the basis on which it is given; why we think the advice is in your best interests; information relating to fees, commissions and other benefits we receive and any relationships, associations or interests that may influence the advice you receive.

Welcome

We know how important financial advice is in providing you with both peace of mind and a clear financial pathway for your future. We want to thank you for considering an engagement with one of our Advisors to assist you in identifying and achieving your needs and objectives.

As part of our commitment to quality of service, we have prepared this guide to provide an overview of our services and value proposition. Please take the time to review this document before engaging our services.

Who We Are and What We Stand For

As an Australian Financial Services (AFS) Licence holder; Elkcorp is a private company on a mission and believes that innovation can transform and will deliver a distinctly different, next generation experience for both clients and our Advisors, ensuring the best outcome and relationship for both.

Elkcorp is a platform for the delivery of comprehensive, integrated financial and professional services to the Australian general public and business community.

Elkcorp aims to be recognised and revered for quality in the Australian financial services landscape in Australia, and strives to

be one of Australia's strongest privately owned financial & professional services organisations.

Our mission at Elkcorp is to help positive people like you get ahead by "future-proofing" yourself with "A Simple Plan".

Our Responsibility to You

Your Advisor provides financial advice and services on behalf of Elkcorp and accordingly we are responsible for the financial advice and services they provide.

Your Advisor – as a Financial Advisor – has a requirement and responsibility to act in the best interests of you (clients), and place the best interests of you (their clients) ahead of their own when providing personal advice to retail clients.

Our Advisors are required to provide an FSG and an Advisor Profile to you prior to providing any personalised financial advice, products and / or services. The FSG, together with the Advisor Profile, is a disclosure requirement under the Corporations Act 2001(Cth). If you have not received an Advisor Profile, please ask your Advisor for a copy or contact us (see page 7 for contact details).

The Advisor Profile contains important information about your Advisor. This includes their Authorised Representative number and / or Corporate Authorised Representative number (if applicable), accreditations, qualifications and experience, areas of advice and types of financial services they can provide, details of how they get paid and fees that you may be charged.

Our Commitment to You

Our Advisors are committed to providing quality bespoke financial advice and a wide choice of products and / or services to suit individual client circumstances.

Your Advisor is obliged by law to act in your best interests and provide appropriate advice, when providing financial advice to you. To be in a position to provide effective advice, your Advisor will need to determine your needs, objectives and relevant financial circumstances.

You will be asked to provide accurate information and to keep your Advisor updated on any changes to your relevant circumstances to ensure the advice provided and financial products recommended remain relevant to your personal situation. You do have the right not to divulge such information. However, in this case, your Advisor will warn you about the possible consequences and how this may impact the quality and reliability of the advice provided. Additionally, your Advisor may also decline to provide advice if they feel they have insufficient information to proceed.

Before providing any financial products and / or services to you, we will need to verify your identity in accordance with the Anti-Money Laundering and Counter-Terrorism Financing Act 2006 (AML / CTF Act). The AML / CTF Act aims to deter money laundering and terrorism financing. Your Advisor will let you know what documentation you will need to present to allow them to provide you with appropriate advice and to meet the relevant customer identification requirements under the AML / CTF Act.

To ensure that you remain on track to meet your short to long-term needs and objectives, it is vital to periodically review your financial plan. Your Advisor will offer a review service appropriate to your circumstances. A fee may be charged for the ongoing advice and management of your financial affairs. Your Advisor will provide you with details of any such fees which are applicable to you.

As part of our commitment to you Elkcorp holds itself and its Authorised Representatives to the highest ethical and professional behaviour standards, with Advisors required, amongst other matters, to act in the best interest of clients and to act honestly, efficiently and fairly in the provision of financial services.

The Advisor Profile will outline the Advisor contact details together with the training, education, experience and authorisations for that Advisor.

As the Licensee, Elkcorp is responsible for the advice you receive from us. If your Advisor is unable or unwilling to provide you with advice or services in respect of certain products, the Advisor will refer you to another representative of Elkcorp. who should be able to assist you.

General Financial Advice

There may be times we offer you general financial advice. You should note that general financial advice does not relate specifically to you and therefore may not be appropriate to your particular financial needs, objectives and financial circumstances.

You need to take this into account before deciding whether or not to act on it.

Personal Financial Advice

If we provide you with personal financial advice, then you will initially receive a Statement of Advice (SoA) when or as soon as practical after the advice is given. This statement will set out the advice, the basis on which the advice was given and any remuneration or other benefit that we, including our representatives and associates may receive. We will also include details of any matter that might reasonably be expected to be capable of influencing us in providing this advice.

If you maintain an advice relationship with us, then generally we will not provide a SoA for further advice (or ongoing client service) situations unless there have been significant changes to either your personal circumstances or the basis of the advice since your last SoA was provided. In these circumstances however, we are still required to keep (and where applicable provide you with) a Record of Advice (RoA). You have the right to request a copy of your RoA (in the event an RoA has not been provided to you) at any time.

Every two years we will send you a renewal notice requesting your consent for us to continue to provide services to you. We must have your consent within 30 days of that notice in order for us by law to continue to provide services to you.

Product Disclosure Statements

When advice is given, we will also give you, where appropriate, a Product Disclosure Statement issued by the product provider containing information you would reasonably require to make a decision about whether to acquire the financial product. The PDS will disclose details of any fees and charges payable for that product.

What Do You Pay For Our Services?

Our Remuneration

The cost of providing a financial product or service to you will depend on the nature and complexity of the advice, financial product and / or service provided. Generally, whenever your Advisor provides a recommendation for a financial product or service, we and your Advisor may be remunerated through either:

- an initial fee for service; or
- an ongoing fee for service; or
- commission payments from product providers where applicable; or
- a combination of any of the above.

Elkcorp, Elk Advisory and your Advisor are remunerated through commissions and the fees that we charge you. To assist you in making an informed decision we will discuss with you and agree on any fees payable before providing a service. The Corporations Act requires us to fully disclose all fees and charges, so if you are in doubt please ask us to explain. You may be charged a fee for the services we provide or we may be paid a commission or brokerage or a combination of the two may apply. All fees and commissions are payable to the Licensee.

We may also recommend varying classes of products to you and the fees or commissions will be disclosed to you in a Statement of Advice.

Elkcorp's representatives and employees are remunerated by way of salary and / or other employee or contractor representative benefits (including commission and/ or revenue sharing, or by commission only). They may also be eligible for a discretionary bonus. Certain representatives, who are not salaried, may receive 30% to 100% (the usual commission or revenue sharing percentage range is between 30% - 67.50% for elk Corporate Advisors in their capacity as Authorised Representatives, and between 90% - 100% for Corporate Authorised Representatives) of all fees and commissions generated from our clients.

How is the remuneration shared between Elkcorp, Elk Advisory and your Advisor?

Elkcorp initially receives all remuneration / revenue (including commission and fees) once the financial service has been provided and/or the business has been completed and lodged with the product and / or service provider. Elkcorp can from time to time retain between 0% to 100% of the remuneration / revenue received. Elkcorp Pty Ltd usually retains between 0% - 100% of the remuneration / revenue received, and the balance (usually between 30% to 100%) is usually distributed to or between Elk Advisory and your Advisor.

What remuneration will Elkcorp, Elk Advisory and your Advisor receive?

1. Fee for Advice / Service

We, and your Advisor may charge you an upfront Fee for Advice / Service based on either:

- The time cost relating to developing the recommendations and advice provided to you, and confirmed / presented in your SoA;
- a fixed dollar amount;
- the value of funds invested and / or under advice and / or under management; or
- a combination of these methods.

Your Advisor may provide you with a personally tailored Client Service Agreement. This agreement may contain details in relation to the service offering, value proposition, fees and costs payable by you.

If you are charged a Fee for Service, your Advisor may rebate to you part or all of the commission that Elkcorp, Elk Advisory and your Advisor would otherwise receive. Your Advisor will invoice you for the relevant fee when your SoA is prepared.

Additionally, your Advisor may invoice you for an ongoing service which may be calculated as a percentage of your total funds under advice, where this payment may be facilitated from your fund "resources" under advice. Your Advisor will provide you with further details where relevant.

2. Upfront Commission

Upfront Commission is paid to Elkcorp by the issuer of the financial products (for example: the insurance product provider that issues an insurance policy) which your Advisor has recommended. The commission amount may be included in the insurer or product providers return on investment calculations and paid from the insurer or product providers resources, or the commission cost may be allowed for (included in) the cost of the product or service being provided (including for example: insurance premiums payable) and then paid by the insurer or product provider to elk. The commission amount may be deducted from the initial amount you have invested, or premium you have inforced, by the product provider at the time the investment or insurance is placed and issued to you.

The actual rate of Upfront Commission we receive will depend on the type of product, the services provided and the amount invested or premium paid. The rate of Upfront Commission must be disclosed by your Advisor, and must be agreed by you with your Advisor.

For example, if Elkcorp were to receive \$500 in commission from a product provider we will retain between \$0 and \$500, and the balance (between \$0 and \$500) is distributed to or between Elk Advisory and your Advisor. Please note that usually between \$0 - \$500 is retained by Elkcorp and usually between \$150 - \$500 is distributed to or between Elk Advisory and your Advisor.

The actual split of remuneration (both percentage and dollar figure) between Elkcorp, Elk Advisory and your Advisor will be fully set out in your SoA and explained by your Advisor at the time of making any recommendation to you.

3. Ongoing Commission

Ongoing Commission (also known as trailing or recurring commission) may also be paid to Elkcorp by the product provider for the duration that your financial product is held with the product provider. This income remunerates elk, Elk Advisory and your Advisor for the ongoing service & support that you receive in respect of these financial products. The rate of Ongoing Commission payable or we receive must be disclosed by your Advisor and must be agreed by you with your Advisor.

Generally, the amount of Ongoing Commission will be calculated as a percentage of the investment balance or a percentage of the premium paid for insurance products.

4. Advisor Service Fee

For investments (including investment recommendations) an Advisor Service Fee or additional Advisor Service Fee (up to 2.20% inclusive of GST - maximum) may also be paid to Elkcorp by the product provider for the duration that your investment is held with the product provider. The payment of this fee may be facilitated through your funds resources invested. Any Advisor Service Fee payable will be clearly outlined in your SoA where applicable.

Note: Elkcorp, Elk Advisory and your Advisor may be remunerated by a combination of commission and Fee for Advice / Service.

When will specific details about fees be notified?

The basis and amount of all Fees for Service, Upfront Commission, Ongoing Commission and Advisor Service Fees will be fully set out in your SoA and explained by your Advisor prior to your acceptance of the SoA and implementation of the recommendations (the details about fees and commissions will also be discussed and disclosed to you by your Advisor during your initial client – Advisor meetings, whilst you get to know us, we get to know you, or understand your current details & position, and whilst you are forming an opinion and making a decision about whether to use Elkcorp, Elk Advisory and your Advisor for your financial advice needs & requirements). An explanation of the fees and charges of the product provider will also be outlined in the relevant PDS.

Will any third parties be paid for referring my business?

Should you be referred to Elkcorp and / or Elk Advisory and / or your Advisor by a third party or facilitator (e.g. an Accountant), the third party or facilitator may receive a fee, commission or other benefit for the referral (this fee is usually set at 17.50% of the commission and / or fees received by elk). This fee comes out of the fees received by Elkcorp, Elk Advisory and your Advisor and does not represent an additional cost to you. You will receive more detailed information concerning any referral fee or commission in your SoA.

Conflict of Interest

Elkcorp and your advisor may receive commissions from the product(s) we recommend to you. Excluding life risk insurance commissions, Elkcorp nor any Authorised Representative receive no conflicted remuneration.

Elkcorp and your advisor may charge you a fee for service (upfront and / or ongoing) based on the balance of your account / investment.

Other Benefits We May Receive

We may from time to time receive a benefit from preferred product providers by way of sponsorship of educational seminars, conferences or training days.

Details of benefits are maintained on a Register which is available for sighting upon request.

Elkcorp and its Representatives may from time to time receive non-cash benefits with a cash value less than \$300. Details of benefits between \$100 and \$300 will be maintained on a register. These benefits will normally be one off and will not be received from a product provider on a regular basis, such as:

- where the amount is less than \$300 and identical or similar benefits are not given on a frequent basis;
- the benefit has a genuine education or training purpose (including attendance to conferences) and is relevant to providing financial product advice; and/or
- the benefit consists of the provision of information technology software or support and is related to the provision of financial product advice in relation to the financial products issued or sold by the benefit provider.

Payments or benefits received must be disclosed in either a Conflicts of Interest Register or an Alternative Remuneration Register. A copy of Elkcorp's Register, is available upon request. If you wish to inspect this Register, please ask your Advisor or contact us.
